A. Open Issue

Louise Stoelting presented a design plan for the Point of Entry project that the city would like us to use. She said that the city will provide the group with the planting materials and we would add to the plan in the future. It was suggested by Dorothy Monahan that we not attach our name to this project until we are satisfied with the look. Louise will work with the city on the time frame of this project.

Mary Carson thanked Don Sheesley for the cabinets and sink that is now in the greenhouse.

B. New Business

Lori Wilson, Recreation Programmer for the City of Moline spoke about the upcoming brochure and what that meant to the group. Lori is also a member of the Friends group and said she reserved a whole page in the brochure for our classes. She will also be promoting our May 4th plant sale in that brochure. The deadline for this brochure is February 15, 2008. She also spoke about the cost of the classes and said they would be reasonable.

Mary Carson has invited the Silvis Garden Club to use our greenhouse for their monthly meeting on Thursday, February 14, 2008. Any members wanting to attend are invited to do so.

Barb McCleary asked all members to sign up for a workday so that she could come up with a schedule for future planning.

Mary Carson read a letter from Diane Wolf concerning the upcoming election. Diane said she would like to be President of the group but she understood if someone else wanted that position considering her current situation.

The members elected Diane Wolf as President and Ina Ackeberg as Vice-President.
